

GENERAL RULES

This year the School rules have been adapted to the new safety measures of prevention of COVID-19

School begins

Monday 14-09-20 for Nursery, Infants, Primary and Secondary.
Tuesday 15-09-20 for Baccalaureate.

School Day

From 9:00h to 17:00h. (For Nursery and Infant children the entry time has been extended to 9:20)

Entering and leaving school

The children who are brought to school by parents, should enter the school from 8:45 onwards through the following entrances:

Nursery and Infants: Reception Infants (**entrance 1**).

Primary 1, 2, 3 and 4: Reception Primary/Secondary building (**entrance 4**).

Primary 5 and 6: Gym door (**entrance 6**).

Secondary 1, 2 and 3: Garden gate Primary/Secondary building (**entrance 4**).

Secondary 4: Music door (**entrance 5**).

Baccalaureate 1 and 2: entrance to Baccalaureate (**entrance 7**)

- According to the Department of Health, only pupils, teachers, administration and service workers can enter the school. We therefore ask parents and other visitors not to enter the school building without an appointment.
- No child will be allowed to go with anyone who does not normally collect them without the parents' permission.
- Parents should not collect their children before 16:30 as this interrupts the classes. If a pupil needs to leave early, the school must be informed by a note in the diary, by telephone or by Clickedu before 16:30.
- Cars must not be parked in front of the building and must respect, at all times, the entrances to the neighbouring houses.

Before/After school service

Extra hours: Morning: from 7:45h to 8:45h
Afternoon: from 17:15h to 18:30h

Any child who arrives before 8:45h or leaves school after 17:15h will enter into the extra hours service and will have an additional charge.

- Nursery and Infants: Should be left and collected from the Infants building (**entrance 1**).
- Primary and Secondary: Should be left at the Gym door of the Primary/Secondary building in the morning (**entrance 6**) and collected from the Infants building in the afternoon (**entrance 1**).

Uniform

School uniform is compulsory and can be found in Hipercor-Girona except for the school tracksuit which is provided by the school. All items must be marked with the child's name (see information for corresponding level).

Uniforms can be bought on the website:

<https://www.elcorteingles.es/uniformes/gerona/fornells-de-la-selva/saint-georges-school/>

Material

This will be supplied by the school. If anything is lost or destroyed and a replacement is necessary the school will charge accordingly.

Transport

- All children from Infants 1 upwards must wear a mask throughout the bus journey.
- The person who accompanies the children on the bus will take their temperature before they get on the bus. If a child has a temperature above 37.5°, he/she will not be allowed to get on the bus.
- When the children get on the bus the person accompanying them will wash their hands with disinfecting gel.
- No messages or medicines should be given to the person accompanying the bus children.
- It is very important to be punctual at the bus stop. When no one is at the stop to collect a child, he/she will be taken to the last stop and you should contact the school or bus monitor.
- New parents should confirm the bus service and the stop they wish to use by contacting the office or email info@saintgeorgeschool.es before September.
- Any daily bus changes depend on the availability of places. The school should be informed of these changes before 15:00 by a note in the diary, telephone or by Clickedu.
- The school insists that children behave properly and show respect at all times on the school buses. If a child does not behave suitably he/she will be excluded from using the bus service for several days or indefinitely.

Illnesses

- The school has prepared for the prevention of COVID-19 according to the instructions given to us by the Department of Health:
 - Children's temperatures will be taken on entering and leaving the school and at various times during the day.
If a child has a temperature of above 37.5°, he/she will be separated from the group and the family will be told to collect the child immediately.
The family must then inform the school of the child's condition.
 - Children must wash their hands frequently.
 - Distance will be respected at all times and masks must be worn when necessary.
- To avoid spreading illness, children with temperature, conjunctivitis, chicken pox, head lice, impetigo should stay at home.
The child cannot return to school until 24h after the symptoms have ceased.

Necessary Documents

On the first day of school the children must bring the following documents completed and signed:

- Authorisation paper
- Letter of Consent
- Responsibility declaration
- Updated photocopy of vaccinations from health card

Various

- Pets are not allowed in the Infants patio or entrance or in the reception areas of the other buildings.
- Act 28/2005 (26th December) states that for health reasons which show smoking can damage our health, it is prohibited to smoke or use electronic cigarettes inside or outside an educational vicinity or children's play area.
Therefore, it is not allowed to smoke in or around the school buildings.
- **Image Rights:** We would remind parents that photos may not be used without previous permission as stated in Article 18.1 of the Spanish Constitution and revised by the *Llei orgànica* 1/1982 5th of May 1982.
- **Rules on mobile phones.** The school cannot be responsible for the mobile phones or electronic gadgets the pupils bring.
It is advisable to have private insurance for these devices because insurance companies will not allow collective insurance on personal objects which do not belong to the school.

MANAGEMENT TEAM

- Head teacher: Fiona Jukes.
- Pedagogic coordinator: Anna Casadevall.
- Nursery and Infants coordinator: Eva Martínez.
- Primary coordinator: Fiona Jukes.
- Secondary and BaccaLaureate coordinator: Montse Biosca.

NURSERY (children born 2018 and 2019)

- 2 bibs which will be sent home daily.

Diary

The diary will be provided by the school and is used as a means of communication with the family. Please read it and sign it every day.

Medicines

According to the Department of Health, any instructions for taking medicine must be clearly written on the medicine with the child's name and stating how much and when to take. This must be signed by the parent or guardian or a certificate should be sent to the school.

Menu

The menu will be available every month on Clickedu.

Special Diets: When a child needs a special diet or cannot eat a specific food, a medical certificate is required, a note in the diary will suffice for a temporary diet.

If a child leaves mid morning but wants to have school lunch they must be back in school by 12:30.

Afternoon sleep

All children have an afternoon sleep.

The school will give each child their own sheet which will be sent home on Friday to be washed and should be brought back on Monday.

They can bring dummies, teddy bears, dolls (in a box).

Material

Nappies and wet towels are supplied by the school. Nothing else can be brought to school (toys, books, food, etc.).

Birthdays

If parents are organising a birthday party the school must be informed of the children who are invited and with whom they will be leaving school.

The school is very willing to participate with the children in celebrating their birthdays or saint's days but we would ask parents who also want to celebrate by bringing presents for other children to please make the presents simple, preferably no sweets but if this is the case only a lolly pop or similar (no bags of sweets) no cakes (as recommended by the Department of Health).
